And whereas in the amendment of the Dominion Lands Act passed by the Parliament of Canada during the Session of 1898, it is stipulated that if the area selected as a homestead is not greater than eighty (80) acres one-half of the amount of the fee of \$10.00 is sufficient to be paid.

The Governor-General in Council, in order that there may be uniformity in the fees charged both under the regulations mentioned and the Dominion Lands Act, is pleased to order that Section Nineteen of the said Regulations respecting Dominion Lands within the Railway Belt in the Province of British

Columbia, shall be and the same is hereby amended so as to permit an entry for homestead with an area of eighty (80) acres or less, on payment of half the regular fee or the sum of \$5.00, and that this amendment be made retroactive to cases already dealt with.

(Ref. 464,370.)

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 4th day of June, 1904.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

WHEREAS by an Order in Council dated 18th of April, 1902, authority was given to deal with applications for grazing lands within the Railway Belt in the Province of British Columbia, and to issue leases therefor under the provisions of the Grazing Regulations for Manitoba and the North-west Territories, and by an Order in Council dated the 1st of February, 1903, the Regulations governing the leasing for grazing purposes of Dominion Lands in Manitoba and the North-west Territories and in the Railway Belt in the Province of British Columbia, were suspended and no further leases were to be issued until otherwise ordered:

And whereas a number of applications have been received in the Department of the Interior for leases of Dominion Lands in the said Railway Belt:

Therefore the Governor-General in Council is pleased to order that the following Regulations shall be and the same are hereby adopted for the issue of such leases:—

1. Leases of grazing lands in the Forty-Mile Railway Belt in the Province of British Columbia may be for a period not exceeding twenty-one years, and no single lease shall cover a greater area than 100,000 acres.

2. Every lease shall contain a condition that the Minister of the Interior may at any time during the term of the lease give the lessee notice of the cancellation thereof, and that at the end of two years from the service of such notice such lease shall cease and determine.

3. In surveyed territory the land embraced by the lease shall be described by townships and sections. In unsurveyed territory, if required by the Minister of the Interior, the party to whom the lease may be promised shall, before the issue of the lease, cause a survey of the tract to be made at his own expense, by a Dominion Land Surveyor, under instructions from the Surveyor-General, and the plan and field notes of such survey shall be deposited on record in the Department of the Interior.

4. (a.) The lessee shall pay an annual rental at the rate of two cents for every acre covered by his lease, and shall within each of the three years from the date of the lease, place upon the tract of land leased not less than one-third of the whole number of the stock which is required to be placed upon the said tract, namely, one head of cattle for every twenty acres of land covered by the lease, but not to exceed that number, and shall during the rest of its term maintain cattle thereon in that proportion.

(b.) The lessee shall, from time to time, as required by the Minister of the Interior, furnish returns of the number of stock owned by him.

5. After placing the prescribed number of cattle upon the tract leased, the lessee may be authorised by the Minister to purchase a reasonable area of land

within his leasehold for a home farm and corral, paying therefor at the price per acre in cash obtaining in the class in which the lands so purchased may be situated.

6. The whole or any part of any lands authorised to be leased shall be open to homestead and pre-emption entry, or to be purchased from the Government at the price obtaining in the class in which the lands are situate, upon application being made therefor, and as entries are granted or purchases effected, the lease shall become void in respect of the land so entered or purchased.

7. A lessee of grazing lands shall not be permitted to homestead lands within any tract leased to another for grazing purposes.

8. Failure to fulfil any of the conditions of his lease shall subject the lessee to forfeiture thereof.

9. Whether he be a lessee or not a lessee, no person shall be allowed to place sheep upon Dominion Lands in the Forty-Mile Railway Belt in British Columbia without permission in writing being first had and obtained from the Minister of the Interior. No person shall be allowed to graze stock of any kind upon the public domain, without the consent of the Minister of the Interior being first obtained.

Clerk of the Privy Council.

PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the com-

munity, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows.—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abut-

ments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901 (*see Journals, 1901, page 58*), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.
